An act to amend Sections 17, 331, 332, ~~2124~~, 3400, and 9160 of the Elections Code, relating to voting.

LEGISLATIVE COUNSEL'S DIGEST

SB 1577, as amended, Committee on Elections and Reapportionment. Elections: voting.

(1) Existing law requires the Secretary of State to establish and maintain administrative complaint procedures, pursuant to the requirements of the federal Help America Vote Act of 2002.

This bill would prohibit the Secretary of State from establishing a requirement that the administrative remedies provided in the complaint procedures be exhausted in order to pursue any other remedies provided by state or federal law.

(2) Existing law defines a new citizen as any person who meets all the requirements of an elector of, and has established residency in, California, except that he or she will become a United States citizen after the 29th day prior to an election, but on or before the 7th day prior to that election.

This bill would, instead, define a new citizen as any person who meets all the requirements of an elector of, and has established residency in, California, except that he or she will become a United States citizen after the 15th day prior to an election, but on or before the 7th day prior to that election.

(3) Existing law defines a new resident as any person who meets all the requirements of an elector of the State of California, except that his or her residency was established after the 29th day prior to an election.

This bill would, instead, define a new resident as any person who meets all the requirements of an elector of the State of California, except that his or her residency was established after the 15th day prior to an election.

~~(4) Existing law requires the Secretary of State to adopt, by regulation, uniform standards for proof of residency to apply in all instances where voters and new registrants are required by law to prove residency.~~

~~This bill would, instead, require the Secretary of State to adopt uniform and nondiscriminatory standards for meeting the identification requirements of the federal Help America Vote Act of 2002.~~

~~(5) Existing law requires that registration for new residents begin the 28th day prior to an election and end on the 7th day prior to the election day.~~

This bill would, instead, require that registration for new residents begin the 14th day prior to an election.

~~(6)~~

(5) Existing law requires the county counsel or district attorney of a county in which an election on a measure is to be held to prepare an impartial analysis of the measure. In the event that the entire text of the measure is not printed on the ballot or in the sample ballot, existing law requires, immediately following the impartial analysis, a written statement informing voters that a copy of the entire ordinance or measure is available by calling the elections official's office.

This bill would allow an elections official, at his or her discretion, to include an additional written statement following the impartial analysis indicating that the full text of the measure may be obtained on the county Web site.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
